MEMORANDUM FOR Incoming Maneuver Senior Leader Course Students

SUBJECT: Welcome from the M-SLC Branch Chief

1. Congratulations on your selection to attend M-SLC. You have demonstrated to your subordinates, peers, and superiors that you possess the qualities and attributes of a Platoon Sergeant.
2. The course is currently being piloted as a one phase course consisting of all four MOS's, 19k, 19D, 11B, and 11C. All students will learn in small groups consisting of all 4 MOS tracks and study tactical, leadership, and warrior skills applicable to all. In week six of the course Students will stay in their small groups and complete a five day STX. Tactical evaluations will be completed on each student as they demonstrate proficiency in the 21<sup>st</sup> Century Soldier Competencies in a field environment, utilizing the Close Combat Tactical Trainer, and Virtual Battlespace Simulator (VBS2).
3. After applying yourself, you will find the course to be challenging and very rewarding. The curriculum is demanding and constantly updated due to the "Global War on Terror". The POI is updated with current doctrine and technical advances through student feedback from recent experiences through operations in Afghanistan and Iraq. Therefore, the sharing of your experiences and knowledge of current TTP's will open many discussions within your small groups, enhancing the readiness of our Noncommissioned Officer Corps.
4. We understand the pressure that this course puts upon the students. I am committed to doing everything within my realm of control to ensure you successfully complete this course. This memorandum and the documents that accompany it will provide you with valuable information required prior to arrival. Please read this memorandum and the accompanying documents carefully. Normally, the information included will sufficiently answer any of your questions. However, if after carefully reviewing these documents you have additional questions feel free to call the M-SLC Operations NCO at: DSN 835-0226/0227 or Commercial (706) 545-0226.
